

SMASH INTO PIECES

BIOGRAPHY

Multiple award-winning Swedish rock-export SMASH INTO PIECES recently released their third album "RISE AND SHINE". With the album passing 2,3 million streams on Spotify just 1 month after the release, several top-list placing's and with 41 executed shows in spring 2017 alone the band has set the bar up high for the rest of the year to come.

SMASH INTO PIECES has already passed 15 million streams on Spotify, they are pushing on 75 000 followers on social medias and have executed more than 250 live performances in the last 24 months (on 3 different continents and in over 20 different countries). During 2016 the band reached the "top-50-list and top-50-viral-list" on Spotify in 5 countries with the release of the two singles "MERRY GO ROUND" and "HIGHER", they also gained heavy airplay in the leading rock-radio stations in Scandinavia as well as in the rest of Europe.

The band has just finished off a major USA/CANADA-Tour with Amaranthe and a European headline-touri in May, followed by more than 10 festival performances during the summer of 2017.

With two up-coming video releases, one up-coming single release and massive tour plans the time for SMASH INTO PIECES to RISE AND SHINE has come.
