Info:

Ván Records proudly presents the sophomore album of DREAD SOVEREIGN - a Dublin-based trio who specialise in true, evil doom.

DREAD SOVEREIGN is Nemtheanga (vocals & bass), Dubh Sol (drums) and Bones (guitar); a triumvirate of old school attitude and arcane spirituality. Although retaining the rugged, epic drama of Primordial (in which Nemtheanga and Dubh Sol both perform), DREAD SOVEREIGN are distinctly different; blending influences of Venom, Saint Vitus and Cirith Ungol in the raw underground cult doom idiom.
